We are an informal, friendly congregation. At the same time, we strive to create an atmosphere of *kavod* (respect) for the sacred time of the High Holy Days. Toward that end:

- Please dress appropriately, in keeping with the values of respect for our space and for each other, as well as general health and safety guidelines
- Please refrain from using your phone or other electronic devices while in the building. If you have an urgent situation that requires you to use your phone, please step outside to do so.
- Please remember that talking in the sanctuary during the service can be distracting to fellow worshippers and those conducting the services.
- Lobby noise travels into the sanctuary and is distracting to those worshipping. Please be considerate and keep lobby noise to a minimum.
