Chevrei Tzedek Ad Hoc Committee
Pre-Approved Collaboration List

Please see the below list of recommended changes to the Pre-Approved List of Organizations Requesting Collaboration. The Committee is making these recommendations based on a review of the previous list.

- Organizations that we have had no history of collaboration with have been removed
- Organizations that we have a history of collaboration with but were not included on the list have been added
- Regularly hosted events with unspecified partnerships have been flagged for review.
